

Food4ME

Food4ME is an interactive app to manage and keep you updated on your food journey during your stay at your Halls of Residence. All information in the App is retrieved from your VUW profile.

STEP 1

Using the QR for quick access, or downloading from the App Store or Google Play.

STEP 2

Select your University.

STEP 3

Mobile login. Use the same mobile number used for registering at your Hall.

STEP 4

Verification code is sent. Please note: that the verification code is also sent to the email Id given during your Hall registration process.

STEP 5

You can now browse the app for menu choices, preorder options, buzzfeed info and more!

FAQ's

If my phone number is not allowing me to enter the App?

Please check that the phone number you are entering is the same as the one that is registered on your profile with your Hall – if not your profile will need to be updated with your Hall Staff.

What if my personal information on my profile is not correct?

This information is provided from your hall profile, please update this with your Hall staff.

If your Dietary or Allergen requirements are incorrect?

This information is provided from your hall profile, please update this with your Hall staff. At any stage please don't hesitate to speak with your catering manager about any dietary or allergen requirements.

Can the catering team help me with changes on my profile?

All profile information is populated through your hall profile but please ask your catering manager if you have any questions.
